

Dear prospective candidate:

I am pleased to send you information regarding our payment options.

The tuition for the Doctoral Programme is \$18,000. We now offer four payment options directly through International University for Graduate.

Please review the following options carefully and choose one best suited for your financial needs. Please note that these options do not include a payment fee to your dissertation mentor of \$1,000, as well as transportation, room and board for the residency in St. Kitts.

*Your degree will be awarded upon completion of your academic requirements and final payment. For those candidates who complete their academic requirements prior to making their final payment, a letter of completion stating that the candidate has met all academic requirements will be issued to the candidate and any third party requested by the candidate.*

If you need any assistance with the application process, please contact me at 1-888-989-4723.

Sincerely,

Sandra Ghiorzo  
Financial Services Advisor

Please sign and return along with the necessary documents to U.S. Information Center, 3611 Henry Hudson Parkway, Suite 1D, Riverdale, New York 10463.
